Panic Alarm

Art. No.: **SC0210**

This Panic Alarm features fast and simple squeeze and scare operation that allows you to activate the alarm quickly at the same time you grab the unit at 120dB alerting anyone up to 70m away!

This compact alarm with clip-on attachment & built-in keychain hole lets you easily attach your keys or clip to your purse or clothing so it is always within reach.

It also has a built-in bright white LED flashlight, which can be used to illuminate darkened doorways, car key slots, or to help you find your way in a power outage. The flashlight can be used only when the alarm is unarmed.

Features:
» Clip-on attachment & built-in keychain hole
» Built-in LED light function
» Fast activation by squeezing the unit on both sides
» Alarm siren sounds at 120dB
» Suitable for joggers, women, children, the elderly, the disabled, night shift workers, and people who are alone
» Constructed of durable ABS plastic
» Dimension: 75mm x 40mm x 12mm
» Included 3 x LR44 (AG13) button cells

Using as a personal alarm:
1) Simply squeeze the unit on both sides to trigger the personal alarm.
2) The 120dB alarm will sound.
3) To stop the alarm, press the light switch button on the front cover.
